

Approved Rules Changes:

The board voted to phase out non-runners. Beginning with the 2023-2024 season, no more players will be registered as non-runners.

During the time that non-runners remain in the league, if a team plays against a team with a non-runner they will not appoint a non-runner. If a runner subs for a non-runner they will run in that particular game.

General rules #20 - #25 will be removed.

Rule #16 is changed to read 'Pitchers will start pitches from the pitching rubber and/or up to six feet behind.

Base Running Rule #5 c is changed to: Any player may run for another player once per inning, a maximum of three times per game. (The underlined words are added.)

Base Running Rule #5 f to add: All substitute runners must report to the home plate umpire before touching the base or running line. Failure to report in will result in being called out.

Base Running Rule #5 e is removed, which pertained to non-runners.

Rule #7 pertaining to the flip-flop rule is removed.
