These teams were selected for each Division using a computer generated random selection process.

The regular season will be from January 3 to February 28.

All teams will play a 18 game schedule during the season. Each Division will play two games against teams in their own division and one game against each team in other divisions.

During the first week in January, games will be played on Wednesday, Thursday and Friday. Games will be played on Monday, Tuesday or Wednesday for the remainder of the season. In all cases each team will play two games per week.

Thursday February 29<sup>th</sup> has been set aside for a possible rain out day OR a possible playoff day in case there is a tie(s) for 1<sup>st</sup> place to determine the league champion.

The double elimination seeded playoff schedule will begin on March 4<sup>th</sup>. The seed for each team will be determined by the team's final record during the regular season. The winner of each division, as in past years, will be seeded as #1, #2, #3 and #4. Seeding for all ties of seasonal records will be determined in the order listed below.

1. Head-to-head record
2. Best differential between runs scored and runs allowed
3. Coin flip

Once the playoffs begin, a bracket sheet will be posted both online and at each field. The bracket will be updated each day at both venues and online.
