

Congratulations to Quality Cabinets - CP Softball 2026 Men's League Champions!

According to the present standings, Quality has guaranteed themselves as the 2026 Men's League Champions. With a present record of 12-2 with only 3 games to play, no other team in the league can even tie their record, even if Quality would lose their last 3 games.

Since this is the case, the schedule for March 2nd (first day of playoffs) has been changed. The Men's League Championship Game has been removed and the start time for the two later games moved up. The times of all games on March 2nd have also been changed to match the times of the games for Tuesday and Wednesday. The March 2nd games now begin at 9:30 AM.

The changes to the March 2nd schedule can be seen by going to the "Schedules" tab on the website and then clicking on "2026 men's and women's regular season playing schedules"
