

Men's League Board Minutes April 6, 2026 at 9:01 am

Attendees; Gary Fulton, Barry Seabrook, Mark Trenkamp, Randy Pickersgill, Mike Fogarty, Troy Click, Dan Gerome, Rich Norris

Minutes; From last meeting were reviewed. Motion to accept by Randy, second by Barry and approved.

Seabrook / umpires; This season there were about 30 umpires, about 35 expected next season. Suggested one umpire clinic once a year in the preseason.

Trenkamp / registrar; 187 registered for next season

Fogarty/McGuffin / rules; Some discussion on the infield fly rule, no decision. There was also discussion on the men's non-runner rule, with more discussion in the fall. If there are to be changes, it will need to go to the League Board as it would involve a change in the constitution.

Pickersgill / Player Placement; There are 176 rated players which should be enough for 16 teams next season. Catchers to be rated as to their ability to throw back to the pitcher. It was brought up that the size of second base could be changed to help eliminate collisions, no decision made.

Click / Managers Rep.; Job well done by managers getting volunteers.

Norris / Pres. Elect;

Fulton / President; Need someone to organize the Super Bowl Squares. Should committees have term limits, and post openings every couple of years. Need separate men's and women's bat approvers.

Old Business;

New Business; Would like to rename our reserves to Sowinski Reserves, will be discussed with the League Board. The General Membership Meeting will be Saturday January 2, 2027.

Next meeting; November 5, 2026 at 9:00 and will be on the 1st and 3rd Thursday's of the month.

Meeting adjourned 10:22 Moved by Gary, second by Barry
