

It's time to get the preseason underway. Men's preseason sign-up sheets have been tacked up at the Field 1 kiosk. We are going to start Monday, November 3, playing Mondays and Wednesdays through mid December TBD. If you are not in the park and plan on playing preseason you can email me at steelike1665@gmail.com or text me at 989-350-7204. Let me know when you are able to play, not when you are arriving. It's easier for me to make up the teams that way. I also need to know if you plan on umpiring or managing. I am looking to start the first week with 4 or 6 teams.
