

Rich and Sandy Roach
Sunday, December 7 • 1:00-3 PM
25972 Dandelion Court

Tracy and Bonnie, the daughters of Rich and Sandy Roach, will be at the Roach's house at 25972 Dandelion Court to get to know their parents neighbors and friends for a small, informal gathering to honor them.

They will have light snacks and space to share a memory, say hello. Bring a chair and, if you want, food to share.

Please feel free to stop by anytime between 1:00-3 PM on Sunday, December 7. Your presence is what matters most.

Please share with those who knew them. Thank you 💛

Bonnie Tisdale and Tracy Spaulding

For those of you who are new to the league and never had the pleasure of knowing the Roachs, Rich played softball at CP/BT for many years. Most importantly though, he was also the league's master mechanic and "Mr. Fix It". He kept our machines running and did all sorts of repair work. I don't think there was ever something Rich couldn't fix. And his wife Sandy worked in the Tiki Hut for a long time as well. They loved watching games sitting in their golfcart behind the outfield fence. They both passed within weeks of each other in 2024.
