

## Men's Ratings for the 2025 Season

A reminder to all men's CP Softball players who need to be rated/re-rated.

The rating committee will be holding sessions to rate new players as they register and will re-rate players coming off an injury/illness from a part season or a missed season. Ratings are currently scheduled to be held on:

Monday, November 4th (time TBD)

Monday, November 11th (following the last pre-season game)

Friday, November 15th (time TBD)

**You must be rated/re-rated by November 15th, 2024 to be eligible to play the upcoming season. You must also be registered for the 2025 season to be rated/re-rated. Players registered after November 15<sup>th</sup> must be rated and will not be placed on a team but rather on the reserve list.**

For a list of men's players known to need rating/re-rating as of the end of the 2024 season, go to the "News from the 2024 Season" page of the league website and go to the bottom of the "End-of-season men's ratings" document. This list is **NOT** all-inclusive; you **MUST** be rerated if you are coming off an injury/illness that occurred after the end of the 2024 season.
